

## Amani Baba Haj

I am an IT enthusiast particularly interested in web development with a background in working in teams and service. My coding journey began with two intensive online boot camps and many other online courses with main focus on JavaScript. I enjoy solving problems and am pleased that my hobby turned into my career.

### TECHNICAL SKILL

#### General

JavaScript

#### Backend

NodeJS

ExpressJS

Axios

REST

GraphQL

MongoDB/PostgreSQL/Mongoose

#### Frontend

React

Redux

Webpack

HTML

CSS, Scss

#### Tools and technologies

Visual Studio Code

Handlebars/Pug

Mocha/Jest

Git

AWS

Cloud Platforms (MongoDB Atlas,

ElephantSQL, Netlify,

Heroku, Contentful)

TDD

Agile work methods

Figma

#### Languages

Arabic - native

English - fluent

swedish - upper-intermediate

### EDUCATION & TRAINING

#### Full Stack JavaScript - School of Applied Technology </salt>

Intensive three month training program for full stack web development with a focus on TDD, mob programming, agile and applied learning.

#### TreeHouse- FullStack Javascript online course

#### SheCodes Basics Plus, SheCodes

Four months online course in Html, Css, Responsive web design and Javascript

#### Komvux - Stockholm

Oct 2019 - Aug 2021

High School program

### WORK EXPERIENCE

#### IT-Assistent - Stockholms stad/Norrmalm Hemtjänst

Feb 2021 - Aug 2021

#### Customer service manager - Trafikverket

Nov 2020 - Feb 2021

Worked with exam bookings by phone and reception, assisted with driving licence photography and took care of customer relations. Handled a variety of questions daily in different areas, such as questions about booking exams, how the exams are conducted, photography and payments.

#### Computer course leader - save the children organization

Jun 2020 - Dec 2020

Course to learn basics about using a computer and Google apps, example of the courses (Word, Excel, PowerPoint, Teams, Skype, Google docs, Google Slides) in both English and Swedish.

#### Senior IT-host - Stockholms stad

Mar 2020 - Dec 2020

Course leader for 20 IT-hosts. I held the course together with my colleagues to train learners for the new job and work culture in Sweden. In addition to the course, I was responsible for the 20 IT-hosts during the 6 month period they worked in different libraries around Stockholm.
